

HELPING EDUCATION  
ONE STEP AT A TIME.

Since it's inception in 1987 the Comstock Park Educational Foundation has been working with you to enhance the school experience for all students at Comstock Park.

We solicit, collect and earn funds throughout the year to fund our "Grant" programs. Through our "Grant" program all staff members have been able to request funding for innovative ideas both in and out of the classroom setting. Applications are always carefully screened and selected for maximum impact, creativity and the potential benefit to our students.

The generosity of the parents, community members, local businesses and staff enables us to continue our commitment to educational excellence at Comstock Park Public Schools.

At this time we are looking to our school staff for continued support. Your financial gift can be given through a one-time donation or through a payroll deduction. Either way, your gift will be greatly appreciated and put to good work. Please use the form below and return it to Missi McPherson in Central Office.

If you have any questions please contact any of our board members. The Foundation wishes you a successful school year and looks forward to your support!
